10:45-11:00	HISPA program – regionalni program za svetske rezultate HISPA program - regional program for global results Prof. dr Nebojša Tasić, Beograd

Subota, 16. mart, 13:00-13:30 – Sala HISPA

Saturday, March 16th, 13:00-13:30 – Room HISPA

OKRUGLI STO – ROUND TABLE

EREKTILNA DISFUNKCIJA: BOLEST SAVREMENOG ČOVEČANSTVA

ERECTILE DYSFUNCTION: A DISEASE OF MODERN HUMANITY

Predsedavajući/Chairman:

- 1. Prof. dr Nebojša Tasić, Beograd,**
- 2. Prof. dr Miodrag Ačimović**

13:00-13:15	Erektilna disfunkcija – kako to vidi urolog Erectile dysfunction - as seen by a urologist Prof. dr Miodrag Ačimović, Beograd
13:15-13:30	Erektilna disfunksija – kako to vidi kardiolog Erectile dysfunction - as seen by a cardiologist Prof. dr Nebojša Tasić, Beograd

Subota, 16. mart, 15:00-16:00 – Sala HISPA

Saturday, March 16th, 15:00-16:00 – Room HISPA

**Sesija JZU Bolnice „Sveti Vračevi”, Bijeljina i HISPA-e
Session of PHI Hospital “Sveti Vračevi”, Bijeljina and HISPA**

Regionalna bolnica – svetski kardiološki rezultati

Regional hospital – world cardiology program

Predsedavajući/Chairman:

1. Prim. dr Milica Lovrić, Bijeljina

2. Prof. dr Biljana Mijović, Bijeljina

15:00-15:15	Neinvazivna dijagnostika u JZU Bolnici „Sveti Vračevi” Non-invasive diagnostics at the PHI Hospital "Sveti Vračevi" Prim. dr Milica Lovrić, Bijeljina
15:15-15:30	Ispitivanje povezanosti COVID 19 i poremećaja srčanog ritma Examining the relationship between COVID 19 and heart rhythm disorders Prof. dr Biljana Mijović, Bijeljina
15:30-15:45	Razvoj 24/7 in JZU Bolnici „Sveti Vračevi” Development of 24/7 in PHI Hospital “Sveti Vračevi” Dr Aleksandar Janjičić, Bijeljina
15:45-16:00	Razvoj elektrostimulacije i elektrofiziologije u JZU Bolnici „Sveti Vračevi” Development of electrostimulation and electrophysiology in PHI Hospital “Sveti Vračevi” Dr Vladimir Đurić, Bijeljina

subota, 16. mart, 16:00-17:00 – Sala HISPA

Saturday, March 16th., 16:00-17:00 – Room HISPA

Prevencija i Intervencija. Šta je starije, kokoška ili jaje?

Prevention and Intervention. Which is older, the chicken or the egg?

Predsedavajući/Chairman:

- 1. Prof. dr Petar Otašević, Beograd**
- 2. Prof. dr Aleksandar Lazarević, Banjaluka**

16:00-16:15	Deficijencija gvožđa kod bolesnika sa srčanom slabošću Iron deficiency in patients with heart failure Prof. dr Petar Otašević, Beograd
16:15-16:30	Prevencija ishemijske bolesti srca: šta danas znamo da još ne znamo Prevention of ischemic heart disease: what we know today that we do not yet know Doc. dr Radoslav Vidaković, Beograd
16:30-16:45	Sekundarna prevencija kardiovaskularnih oboljenja kod bolesnika sa malignim oboljenjima Secondary prevention of cardiovascular diseases in patients with malignant diseases Prof. Dr Aleksandar Lazarević, Banjaluka
16:45-17:00	Hipertenzivna kriza – izazovi savremenog lečenja Hypertensive Crisis – Challenges of Modern Treatment Prof. dr Goran Davidović, Kragujevac

Subota, 16. mart, 09:00-10:30 – Sala Bijeljina

Saturday, March 16th, 09:00-10:30 – Room Bijeljina

**HISPA SESIJA BH– HISPA u porodičnoj medicini
HiSPA SESSION BH – Hispa in family medicine**

Prevencija - ultimativni put do zdravlja

Prevention - the ultimate path to health

Predsedavajući/Chairman:

1. Dr Radoslav Nikolić, Doboј
2. Dr Goran Birčaković, Zvornik

09:00-09:20	Polifarmacija kod pacijenata starije životne dobi Polypharmacy in elderly patients Dr Davor Rikić, Zvornik
09:20-09:40	Prevencija masovnih nezaraznih bolesti opštine Teslić životne dobi od 40 do 65 godina Prevention of mass non-communicable diseases of the municipality of Teslić, aged 40 to 65 years Dr Mladen Đurić, Dr Vesna Bubić Radešić, Dr Aleksandar Milićević, Teslić

10:00-10:30	Sve (kardiovaskularne) boje dijabetesa All (cardiovascular) colors of diabetes Dr Andrea Tomić, Doboј

Subota, 16. mart, 11:00-11:45 – Sala Bijeljina
Saturday, March 16th, 11:00-11:45 – Room Bijeljina

PRO et CONTRA SESSION

Koncept smanjenja štetnosti! – put kojim se ređe ide
Harm reduction concept - path less traveled

Predsedavajući/Chairman:

1. Dr Danijela Tasić, Beograd

11:00-11:25	Prof. dr Reuven Zimlichman, Tel Aviv
11:25-11:45	Prof. dr Nebojša Tasić, Beograd

Subota, 16. mart, 11:45-12:45 – Sala Bijeljina
Saturday, March 16th, 11:45-12:45 – Room Bijeljina

Kako zaštiti i izlečiti krvne sudove – preduslov „večnog života”

How to protect and heal blood vessels - a prerequisite for "eternal life"

Predsedavajući/Chairman:

- 1. Prof. dr Nenad Ilijevski, Beograd**
- 2. Prof. dr Miroslav Marković, Beograd**

11:45-12:00	Ishemijsko postkondicioniranje u karotidnoj hirurgiji Ischemic postconditioning in carotid surgery Prof. dr Nenad Ilijevski, Beograd
12:00-12:15	Urgentna karotidna endarterektomija - iskustvo referentnog centra Urgent carotid endarterectomy - experience of a reference center Prof. dr Miroslav Marković, Beograd
12:15-12:30	Primena ultrazvučne dijagnostike u prevenciji ishemiskog oštećenja mozga Application of ultrasound diagnostics in the prevention of ischemic brain damage dr Draginja Peković, Beograd
12:30-12:45	Prevalencija koronarne arterijske bolesti kod pacijenata sa karotidnom i perifernom arterijskom bolešću Prevalence of Coronary Artery Disease in Patients with Carotid and Peripheral Arterial Disease dr Bojan Vučurević, Beograd

Subota, 16. mart, 12:45-14:00 – Sala Bijeljina

Saturday, March 16th, 12:45-14:00 – Room Bijeljina

**Zajednički simpozijum HISPA i udruženja kardiologa BiH
Joint symposium Hispa and Association of Cardiologist BiH**

Predsedavajući/Chairman:

- 1. Prof. dr Zumreta Kušljugić, Tuzla**
- 2. Prof. dr Munevera Bećarević, Tuzla**

12:45-13:00	Značaj familijarne hiperholisterolemije u razvoju ateroskleroze The importance of familial hypercholesterolemia in the development of atherosclerosis Prof. dr Zumreta Kušljugić, Tuzla
13:00-13:15	Svjesnost stanovništva o značaju srčane insuficijencije u svijetu Public awarness of heart failure in the world Prof. dr Larisa Dizdarević-Hudić, Tuzla
13:15-13:30	Psihosocijalni faktori rizika za nastanak kardiovaskularnih oboljenja Psychosocial risk factors for cardiovascular disease Doc. dr Daniela Matičević, Tuzla
13:30-13:45	Tretman dislipidemije u ambulanti porodične medicine Treatment of dyslipidemia in the family medicine clinic dr Damir Husejnović, Tuzla
13:45-14:00	Utjecaj nedostatka vitamina D na kardiovaskularni rizik Effect of vitamin D deficiency on cardiovascular risk Prof. dr Munevera Bećarević, Tuzla

Subota, 16. mart, 15:00-16:00 – Sala Bijeljina
Saturday, March 16th, 15:00-16:00 – Room Bijeljina

HISPA SESIJA- HISPA SESSION

Postkovid sindrom i sindrom hroničnog umora – Lice i naličje epidemije koja traje

Post-COVID syndrome and chronic fatigue syndrome - The face and the reverse of the ongoing epidemic

Predsedavajući/Chairman:

- 1. Prof. dr Branislav Milovanović, Beograd**
- 2. Prof. dr Lazar Angelkov, Bijeljina**

15:00-15:15	Postkovid sindrom i sindrom postvirusnog umora: neurokardiološki pristup Post-covid syndrome and post-viral fatigue syndrome: a neurocardiological approach Prof. dr Branislav Milovanović, Beograd
15:15-15:30	Interventno lečenje paroksizmalne atrijalne fibrilacije Interventional treatment of paroxysmal atrial fibrillation Prof. dr Lazar Angelkov, Bijeljina
15:30-15:45	Prevencija šloga i lečenje atrijalne fibrilacije: regionalni izazovi savremena rešenja Prevention of stroke and treatment of atrial fibrillation: regional challenges of modern solutions Dr Slađana Božović, Beograd
15:45-16:00	Postkovid i hipertenzija – kako lečiti? Postkovid and hypertension – how to treat? Doc. dr Danijela Tasić, Beograd

Subota, 16. mart, 16:00-17:00 – Sala Bijeljina
Saturday, March 16th, 16:00-17:00 – Room Bijeljina

HISPA SESIJA – Medicinski tehničari/sestre Srbija
HISPA SESSION – Medical Technicians/ Nurses Serbia

Predsedavajući/Chairman:

- 1. Indira Filipović, Beograd**
- 2. Ivana Andiev, Beograd**

16:00-16:15	Familijarna hiperholesteolemija, sveobuhvatni program zaštite Familiar hypercholesterolemia – comprehensive protection program Jelena Đorđević, Beograd
16:15-16:25	Prevencija faktora rizika za kardiovaskularne bolesti Prevention of cardiovascular risk factors Gordana Djermanović, Šabac
16:25-16:35	Ne pali i reci ne cigaretama Do not combust and say no to cigarettes Dalibor Aksić, Beograd
16:35-16:45	Hipertenzija, tihi ubica Hypertension, silent killer Milica Jaćimović, Beograd
16:45-17:00	Antistres i isceljenje kardiovaskularnih oboljenje Antistress and healing of cardiovascular disease Slobodanka Terzić, Vrnjačka Banja

Subota, 16. mart, 17:00-18:00 – Sala Bijeljina

Saturday, March 16th, 17:00-18:00 – Room Bijeljina

HISPA SESIJA – Medicinski sestre/tehničari BiH
HISPA SESSION – Nurses BiH

Predsedavajući/Chairman:

- 1. Milica Dikić, Bijeljina**
- 2. Mirjana Janković, Banjaluka**

17:00-17:10	<p>Specijalističko obrazovanje u zdravstvenoj njezi iz perspektive zdravstvenih ustanova Republike Srpske Specialist education in health care from the perspective of the health institutions of the Republic of Srpska</p> <p>Mirjana Janković, Banjaluka</p>

17:20-17:30	<p>Oboljenja kao posljedica uticaja riziko faktora Diseases as a consequence of the influence of risk factors</p> <p>Sladana Gojković, Doboj</p>
17:30-17:40	<p>Postkovid sindrom i sindrom hroničnog umora Post-covid syndrome and chronic fatigue syndrome</p> <p>Malina Jeremić, Zvornik</p>
17:40-17:50	<p>Svijest medicinskih sestara/tehničara JZU Bolnice „Sveti Vračevi“ o njihovoj ulozi u prevenciji kardiovaskularnih oboljenja</p> <p>Nurses' awareness in the PHI Hospital "Sveti Vračevi" about their role in the prevention of cardiovascular diseases</p> <p>Milica Dikić, Bijeljina</p>

17:50-18:00

**Utjecaj onkološke terapije na kognitivne funkcije oboljelih od karcinoma
dojke**

**The influence of oncological therapy on the cognitive functions of breast
cancer patients**

Doc. dr Ivona Ljevak, Mostar

Nedelja, 17. mart, 09:30-11:00 – Sala Bijeljina
Saturday, March 17th, 09:30-11:00 – Room Bijeljina

**ZAJEDNIČKA SESIJA UDRUŽENJA HISPA I MEĐUNARODNOG UDRUŽENJA ZA VASKULARNO
ZDRAVLJE**

**JOINT SESSION OF HISPA ASSOCIATION AND INTERNATIONAL SOCIETY FOR VASCULAR
HEALTH**

Predsedavajući/Chairman:

1. Jirar Topouchian, Paris

2. Reuven Zimlichman, Tel Aviv

09:30-09:50	Kada koristiti 24-časovno ambulantno praćenje krvnog pritiska u kliničkoj praksi i koje informacije dobijamo When to use 24h ambulatory blood pressure monitoring in the clinical praxis and what information we are getting Dr Vasilis Kotsis, Thessaloniki
09:50-10:15	Profil pacijenata sa teško kontrolnom hipertenzijom – BP proaction BG studija Profile of patients with difficult to control hypertension – BP proaction BG study Dr Arman Postadjian, Sophia
10:15-10:35	Efekti metaboličkog sindroma na ukočenost arterija i prognozu Effects of Metabolic syndrome on Arterial stiffness and prognosis Dr Jirar Topouchian, Paris
10:35-11:00	Muzika i hipertenzija Music and hypertension Prof Dr Bojan Jelaković, Zagreb

Nedelja, 17. mart, 11:30-12:30 – Sala Bijeljina
Saturday, March 17th, 11:30-12:30 – Room Bijeljina

HISPA AI SESIJA

HISPA AI SESSION

Veštačka inteligencija u medicine – da li smo na kraju početka ili početku kraja
Artificial Intelligence in Medicine - are we at the end of the beginning or the beginning of the end

Predsedavajući/chairman:

1. Prof. dr Nebojša Tasić, Beograd
2. Prof. dr Zlatko Maksimović, Bijeljina

11:30-11:45	Primjena veštačke inteligencije u JZU "Sveti Vračevi", Bijeljina Application of Artificial Intelligence in the PHI "Sveti Vračevi", Bijeljina Prof. dr Zlatko Maksimović, Bijeljina
11:45-12:00	Veliki podaci i veštačka inteligencija u medicinsko-etičkim aspektima Big data and Artificial Intelligence in Medicine-ethical aspects Prof. dr Dejan Bokonjić, Foča
12:00-12:15	Veštačka inteligencija u hipertenziji – tiki pristup tihom ubici Artificial Intelligence in Hypertension – a silent approach to the silent killer Dr Biljana Despotović, Beograd
12:15-12:30	Precizna prevencija: Prilagođavanje zdravlja uz pomoć veštačke inteligencije i nosive tehnologije Precision Prevention: Tailoring Health with AI and wearables Dr Maša Petrović, LA, USA

Nedelja, 17. mart, 12:30-13:30 – Sala Bijeljina
Saturday, March 17th, 12:30-13:30 – Room Bijeljina

MEĐUNARODNA SESIJA
INTERNATIONAL SESSION

Predsedavajući/Chairman:

- 1. Prof. dr Reuven Zimlichman, Tel Aviv**
- 2. Prof. dr Goran Davidović, Kragujevac**

12:30-12:45	Nove preporuke ESH – šta je novo? The new ESH guidelines- what is new? Prof. dr Reuven Zimlichman, Tel Aviv

13:00-13:15	Ispitivanje koncentracije metala i metaloida u tkivu miokarda leve komore kod osoba sa sekundarnim kardiomiopatijama, koronarnom bolešću i srčanom insuficijencijom Investigation of metal and metalloid concentrations in the tissue of the left ventricular myocardium in individuals with secondary cardiomyopathies, coronary artery disease, and heart failure Dr Ana Ćirović, Dr Aleksandar Ćirović, Beograd

SIMPOZIJUMI

SIMPOZIJUM HEMOFARM

**SUBOTA, 16. MART 2024
SALA HISPA
11:00-11:30**

**Značaj određivanja feritina i pravovremena suplementacija željezom
The importance of ferritin determination and timely iron supplementation**

Doc. dr Danijela Mandić

**Apiksaban u prevenciji MU/SE kod pacijenata sa AF
Apixaban in the prevention of MU/SE in patients with AF**

Prof. dr Lazar Angelkov

**SIMPOZIJUM
KRKA**

**SUBOTA, 16. MART 2024
SALA HISPA
11:30-12:00**

**Krkina perindropil porodica – rješenje za svakog hipertenzivnog pacijenta
Krka's perindropil family - a solution for every hypertensive patient**

dr Aleksandar Janjić, Bijeljina

SIMPOZIJUM Mg MIVELA

**SUBOTA, 16. MART 2024
SALA HISPA
12:00-12:30**

**Magnezijum u vodi – izvor prevencije i lečenja kardiovaskularnih oboljenja
Magnesium in water - a source of prevention and treatment of cardiovascular diseases**

Doc. dr Danijela Tasić, Beograd

Health above all

**SIMPOZIJUM
ALKALOID**

**SUBOTA, 16. MART 2024
SALA HISPA
12:30-13:00**

**Tri puta prevencije,kako izabrati pravi za pacijenta?
Three ways of preventions –how to choose the right one for the patient?**

Prim. dr Milica Lovrić, Bijeljina

microlife®

**Sponzorisano predavanje
R&B MEDICAL - MICROLIFE**

**SUBOTA, 16. MART 2024
SALA Moskva
13:30-13:50**

**Dijagnostika krvnog pritiska: IZAZOV 21. VEKA
Blood pressure diagnostics: CHALLENGE OF THE 21ST CENTURY**

Prof. dr Nebojša Tasić, Beograd
